BCGS MAY MEETING

Reminder that the May BCGS Club meeting will be held on Saturday, May 11 Marymoor Park in Redmond, WA.

April 6, 2019

Berliner Pub in Renton, WA

Members Present: David Harrington, Rod and Sue Gjefle, Suzi and Abby Crickmore, Tamara Marcotte, Brian Nolan, Sandy Fisher, Mia Carper, Citty Brugalette Paula Brockway and Joan Johnson

Guests:

Educational Instruction: none

Meeting Called to Order: 1:11 pm at Berliner Pub, Renton. Adjourned at 2:15pm.

Report of President:

Club support of Bully Run at Emerald Downs on 6/9. This is an event for French, American and Bulldogs. Voted on and approved.

Still looking at having Cindy Smith, DVM from Lakewood attend specialty show to do Patella and Heart seminar if practical. There was discussion from Dave whether our club efforts are being duplicated with Show Chairman as it may be a seminar health discussion in lieu of examinations.

May event: Bulldog Trick training taught by Kim Dailey of Lake Stevens K9 Academy. We are still looking at park in Renton, there is discussion around parking at location.

July Fun Match: Looking at doing possibly after our show in July at Puyallup. This would be in the park adjacent to Puyallup fair. Kissing booth would be part of event.

Nationals this year are in San Francisco. Dave brought up that we could contribute cash (\$150.00), basket or club sponsored trophy.

Business card orders received, displayed and some handed out this month.

\$95.00 was spent on club banner.

We welcome Citty Brugalette and Anthony Ortega this month as new member to our club.

Report of Secretary: none

Report of Treasurer: Bank balance is \$12,556.96. Profit is up \$253 for the year. Membership: 11 non renewals, 2 new members. We have 56 family memberships and 85 members at present.

Unfinished Business: Joan Johnson brought up idea of having cash prizes awarded with ribbons and to use all budget for ribbons only, with rosettes for all entries; including Best Puppy, Best Bred by, Best Jr, etc. (16 in total) plus first place in every regular class.. Budgeted Rosettes are \$1000.00 but cost could be offset with donations. This averages out to \$200.00 per show.

Update this meeting: Trophy donations go to Joan Johnson. The form is on Facebook and donations can be made via PayPal also.

August show schedule finalized:

Friday PM - OSBC

Saturday AM – BCGS

Saturday PM – BCGS

Sunday AM – OSBC

Sunday PM – BCA

New Business: August show discussion:

Concerns for the specialty show discussed during meeting:

- Questions over early start time: 7 am for folks traveling to event.
- National Owner/Handler: are we doing as part of this show?
- Setup is on Friday. When is the silent auction?

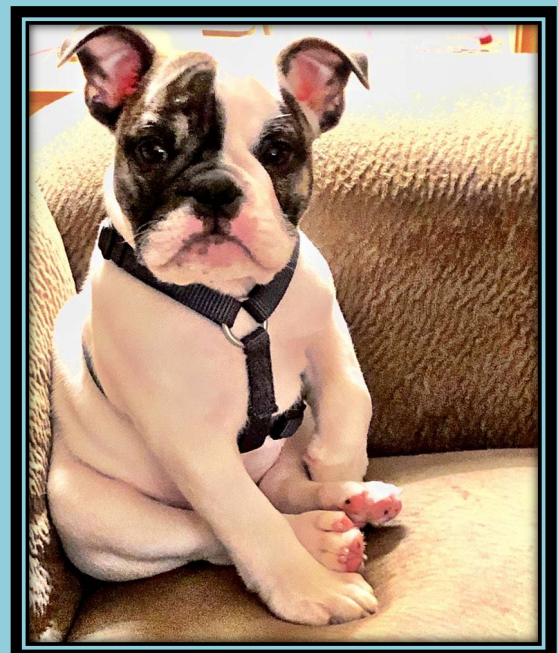

Tamara indicated that she can do basket this year. Above mentioned \$150.00 funds were approved for budget.

Aline Emery is doing the club website officially now.

**** Next meeting: 5/11 Marymoor Park in Redmond after Fun Match ****

BCGS Breed Booth
Seattle Kennel Club Dog Show
March 2019

We had a great time this year at our Educational Breed Booth, during the Seattle Kennel Club Dog Show. Despite the change in booth location to the lower level and a bit tighter quarter, our volunteers, some with their Bulldogs and some without, greeted the public and answered many questions about our beloved breed, both in the booth and during our opportunity to join in with "Meet the Breed". Thank you to all who helped with this important chance to educate the public and our love for healthy, lovable dogs.

Thanks to Sandy Fisher for the great photos

During this year's Seattle Kennel Club show there were many activities for dogs and their owners to participate in; one being a paired down version of an agility course that anyone could participate. It was a fun way to see if your dog has what it takes to be an agility dog. We had a couple bulldogs take a shot at it and there may be some potential bulldog competitors in the future!!

Partnering with Oregon State Bulldog Club, BCGS is also working hard on the August Specialty Show. This year's show is back in Olympia WA, at the Red Lion hotel. It's been a long time coming but we are so excited to be back in this location.

Thanks to Sandy Fisher for the great photos

Bulldog Club of America Ambassador for Health Award Program

The purpose of the BCA Ambassador for Health Award program is to promote betterment of the Breed through health testing by recognizing Bulldogs, owned by BCA members, which have met specific health testing requirements.

Overview and Deadline:

Each eligible Bulldog will be awarded a certificate suitable for framing which indicates the level of achievement and details the health certifications the dog has successfully completed. Certificates will be awarded annually to all Bulldogs whose owners have submitted a completed application and the required verification to the Health Committee by the deadline date. In order to be recognized as an Ambassador for Health and/or Health Pioneer Award recipient at the BCA Nationals, completed applications must be received by the 1st day of the month immediately preceding the month in which that year's Nationals is scheduled. **For 2019, because Nationals will be held in November, the application deadline is October 1.**

Levels and Requirements:

Bronze: Successful completion of any four eligible certifications/DNA screenings

Silver: Successful completion of any five eligible certifications/DNA screenings

Gold: Successful completion of any six eligible certifications/DNA screenings

Platinum: Successful completion any seven eligible certifications/DNA screenings

Diamond: Successful completion of all eligible certifications/DNA screenings

Eligible Certifications:

OFA Congenital Cardiac (all certifications accepted, Echo preferred) OFA Patellar Luxation

OFA Tracheal Hypoplasia OFA Thyroid

OFA Elbow Dysplasia OFA Hip Dysplasia

Eligible DNA based health screenings:

Hyperuricosuria (HUU)

Type 3 Cystinuria DNA Marker

Passing results are required on all tests (passing is defined by OFA and an OFA certificate must have been issued) for the Ambassador for Health Award. All tests must be submitted to OFA and be part of their public database.

Age Requirements:

Congenital Cardiac, Patellar Luxation, Tracheal Hypoplasia & Thyroid:

Dogs must be 12 months of age or older on the date of the examination.

Hips/Elbow Dysplasia:

Dogs must be 24 months of age or older at the time of the radiography.

Bulldog Club of America **Ambassador for Health Award Program**

The purpose of the BCA Ambassador for Health Award program is to promote betterment of the Breed through health testing by recognizing Bulldogs, owned by BCA members, which have met specific health testing requirements.

Application Requirements:

The Bulldog that is applying for the Ambassador for Health Award must be owned or co-owned by a BCA member in good standing. If the dog is co-owned, the co-owner who is a member of BCA must submit the application. It is not necessary to be a BCA member at the time the tests were performed.

All awards are designed to be a one-time award for each recipient, rather than a recurring, annual award. Additional levels may be applied for the next year provided all verification is received by the Health Committee by the deadline date and the recognition award will be given at the appropriate upgraded level.

Pioneers of Health:

In addition, any Bulldog receiving an Ambassador for Health Award that has also participated in any BCA-initiated or recognized health research project will also receive a Health Pioneer designation which will be included on their Ambassador for Health certificate.

- OFA EYE is considered part of the Health Pioneer recognition since at this time the Ambassador for Health program is comprised of permanent certifications. A passing OFA EYE certificate that is current the calendar year of the award is required. All tests must be submitted to OFA and be part of their public database.
- Certificates for BAER hearing testing, CHIC DNA repository and OFA Spinal Database may also be submitted for inclusion in the Health Pioneer designation.
- Proof of participation is required for any other BCA-initiated health studies in order to be included in the Health Pioneer designation.

The Health Pioneer can also be applied for as a stand-alone certificate. However, OFA EYE certification will not be considered for the stand-alone certification.

To apply, access the Ambassador for Health Award application online at:
