## BCGS BREED BOOTH & MEET THE BREED SEATTLE KENNEL CLUB SHOW MARCH 9-10th

The Bulldogs are always big draw during meet the breed and at our breed booth during the Seattle Kennel Club Show in downtown Seattle. This is a great opportunity to answer questions and showcase our wonderful breed. If you would like volunteer to be part of the booth, please contact **Cathy Harrington** at [harringtondc@msn.com](mailto:harringtondc@msn.com)

## Bulldog Club of America Ambassador for Health Award Program

The purpose of the BCA Ambassador for Health Award program is to promote betterment of the Breed through health testing by recognizing Bulldogs, owned by BCA members, which have met specific health testing requirements.

### Overview and Deadline:

Each eligible Bulldog will be awarded a certificate suitable for framing which indicates the level of achievement and details the health certifications the dog has successfully completed. Certificates will be awarded annually to all Bulldogs whose owners have submitted a completed application and the required verification to the Health Committee by the deadline date. In order to be recognized as an Ambassador for Health and/or Health Pioneer Award recipient at the BCA Nationals, completed applications must be received by the 1st day of the month immediately preceding the month in which that year's Nationals is scheduled. **For 2019, because Nationals will be held in November, the application deadline is October 1.**

### Levels and Requirements:

Bronze: Successful completion of any four eligible certifications/DNA screenings

Silver: Successful completion of any five eligible certifications/DNA screenings

Gold: Successful completion of any six eligible certifications/DNA screenings

Platinum: Successful completion any seven eligible certifications/DNA screenings

Diamond: Successful completion of all eligible certifications/DNA screenings

### Eligible Certifications:

OFA Congenital Cardiac (all certifications accepted, Echo preferred) OFA Patellar Luxation

OFA Tracheal Hypoplasia OFA Thyroid

OFA Elbow Dysplasia OFA Hip Dysplasia

### Eligible DNA based health screenings:

Hyperuricosuria (HUU)

Type 3 Cystinuria DNA Marker

Passing results are required on all tests (passing is defined by OFA and an OFA certificate must have been issued) for the Ambassador for Health Award. All tests must be submitted to OFA and be part of their public database.

### Age Requirements:

Congenital Cardiac, Patellar Luxation, Tracheal Hypoplasia & Thyroid:

Dogs must be 12 months of age or older on the date of the examination.

Hips/Elbow Dysplasia:

Dogs must be 24 months of age or older at the time of the radiography.

## **Bulldog Club of America**

### **Ambassador for Health Award Program**

The purpose of the BCA Ambassador for Health Award program is to promote betterment of the Breed through health testing by recognizing Bulldogs, owned by BCA members, which have met specific health testing requirements.

#### **Application Requirements:**

The Bulldog that is applying for the Ambassador for Health Award must be owned or co-owned by a BCA member in good standing. If the dog is co-owned, the co-owner who is a member of BCA must submit the application. It is not necessary to be a BCA member at the time the tests were performed.

All awards are designed to be a one-time award for each recipient, rather than a recurring, annual award. Additional levels may be applied for the next year provided all verification is received by the Health Committee by the deadline date and the recognition award will be given at the appropriate upgraded level.

#### **Pioneers of Health:**

In addition, any Bulldog receiving an Ambassador for Health Award that has also participated in any BCA-initiated or recognized health research project will also receive a Health Pioneer designation which will be included on their Ambassador for Health certificate.

- OFA EYE is considered part of the Health Pioneer recognition since at this time the Ambassador for Health program is comprised of permanent certifications. A passing OFA EYE certificate that is current the calendar year of the award is required. All tests must be submitted to OFA and be part of their public database.
- Certificates for BAER hearing testing, CHIC DNA repository and OFA Spinal Database may also be submitted for inclusion in the Health Pioneer designation.
- Proof of participation is required for any other BCA-initiated health studies in order to be included in the Health Pioneer designation.

The Health Pioneer can also be applied for as a stand-alone certificate. However, OFA EYE certification will not be considered for the stand-alone certification.

To apply, access the Ambassador for Health Award application online at:

[http://www.bulldogclubofamerica.org/pdf/bca\\_afh\\_application\\_rev\\_7-2222072017160553.pdf](http://www.bulldogclubofamerica.org/pdf/bca_afh_application_rev_7-2222072017160553.pdf)

Any questions, please contact a Division V Health Committee representative:
