Auction (Anna Sullivan): The auction will feature silent auction tables with new, unique items, each day along with a fabulous Last Chance Raffle. This year we are focusing on a few (10-15 from each club) new or pristine, and unusual items for the auction. If you have an item for the auction or need more information, please contact me at bulldogams956@gmail.com or 360-464-4514. I can pick up items if you are in the South Puget Sound area. If not, you can take a good photo of the item and, with a written description and its value, then send that on to me so we know what we have to offer. And then just bring the item to the auction desk at the show. Deadline for donations (or letting me know that you are donating) is Aug. 1.

Auction Volunteering – I am asking for help from four volunteers for the auctions on Sat., Aug. 3 and Sunday, Aug. 4 in the morning and afternoon (about 3 hours each shift).

Preserving the family jewels, dealing with Male Infertility.
Factors that contribute to fertility in the stud dog and supplementation.
New considerations for neutering.
Infertility in the Bitch: Improving litter size and puppy health.
How to optimize fertility in your bitch.
New consideration for sexual altering.

We need to get this information to everyone. Post on Facebook and website include in newsletter.

Trick Dog Certification: Kim Dailey will be at the show on Saturday afternoon to offer Trick Dog certifications.

Other activities at the show: Silent auctions each day. Corn hole tournaments on Friday and Saturday evenings. Outdoor moving showing of "Best in Show" on Friday evening. Ice cream Sunday Bar on Saturday evening. Many hospitality offerings on Friday, Saturday and Sunday.

Rally and Obedience Trial –December 2019: Jeff and Winn Ryman would like to add a day to the rally and obedience trial for a BCA Nationals fundraiser. Jeff will find a judge and just want to clear it with the club. Jeff will be training someone in Oregon to do the same thing. This is something all the other clubs in Division 5 are going to be doing as a fundraiser. The paperwork for these shows has been submitted. The AKC Fees of \$100.00 (\$50 per show) have been paid and submitted for reimbursement.

Portland BCGS/OSBC Rose City Specialty Show 2020: Jeff Ryman asked the club if we would like to co-sponsor this event as we did in January 2019. The dates are January 10 & 11, 2020 and we would need to secure a judge.

Linda Borden Best Puppy Award:

Laura Haney's 100.00 / year endowment running out at the end of this year. This will be the last year for this endowment.

Update: AKC does not need to approve a member sponsored award. This was voted on and approved, potentially to be renamed "Best Puppy Award".

NEW BUSINESS:

Slobberfest will be on the 14th of September this year. Looking to do 11am to 3pm for event. Venue is Marymoor Park, North shelter.

Member Application Modification:

Discussion on rewording our application to read "Do you have a bulldog and what kind?" in place of current "Do you have a bulldog and how many?" Discussion centered on our club being a club to promote Bulldog breed (and allow other variations, such as French, Olde English, American to be represented by their own clubs).

This is completed: Sandy is updating member application master.

For January show (2020) – Do we as a club want to continue to participate in the Oregon State Bulldog Club Specialty Show in Portland? Do we have the volunteers needed to support? More discussions to be held at a future meeting.

The purpose of the BCA Ambassador for Health Award program is to promote betterment of the Breed through health testing by recognizing Bulldogs, owned by BCA members, which have met specific health testing requirements.

Overview and Deadline:

Each eligible Bulldog will be awarded a certificate suitable for framing which indicates the level of achievement and details the health certifications the dog has successfully completed. Certificates will be awarded annually to all Bulldogs whose owners have submitted a completed application and the required verification to the Health Committee by the deadline date. In order to be recognized as an Ambassador for Health and/or Health Pioneer Award recipient at the BCA Nationals, completed applications must be received by the 1st day of the month immediately preceding the month in which that year's Nationals is scheduled. **For 2019, because Nationals will be held in November, the application deadline is October 1.**

Bronze: Successful completion of any four eligible certifications/DNA screenings

Silver: Successful completion of any five eligible certifications/DNA screenings

Gold: Successful completion of any six eligible certifications/DNA screenings

Platinum: Successful completion any seven eligible certifications/DNA screenings

Diamond: Successful completion of all eligible certifications/DNA screenings

Eligible Certifications:

Bulldog Club of America

Ambassador for Health Award Program

The purpose of the BCA Ambassador for Health Award program is to promote betterment of the Breed through health testing by recognizing Bulldogs, owned by BCA members, which have met specific health testing requirements.

Application Requirements:

The Bulldog that is applying for the Ambassador for Health Award must be owned or co-owned by a BCA member in good standing. If the dog is co-owned, the co-owner who is a member of BCA must submit the application. It is not necessary to be a BCA member at the time the tests were performed.

All awards are designed to be a one-time award for each recipient, rather than a recurring, annual award. Additional levels may be applied for the next year provided all verification is received by the Health Committee by the deadline date and the recognition award will be given at the appropriate upgraded level.

Pioneers of Health:

In addition, any Bulldog receiving an Ambassador for Health Award that has also participated in any BCA-initiated or recognized health research project will also receive a Health Pioneer designation which will be included on their Ambassador for Health certificate.

- OFA EYE is considered part of the Health Pioneer recognition since at this time the Ambassador for Health program is comprised of permanent certifications. A passing OFA EYE certificate that is current the calendar year of the award is required. All tests must be submitted to OFA and be part of their public database.
- Certificates for BAER hearing testing, CHIC DNA repository and OFA Spinal Database may also be submitted for inclusion in the Health Pioneer designation.
- Proof of participation is required for any other BCA-initiated health studies in order to be included in the Health Pioneer designation.

The Health Pioneer can also be applied for as a stand-alone certificate. However, OFA EYE certification will not be considered for the stand-alone certification.

To apply, access the Ambassador for Health Award application online at:

PET SAFETY TIPS IN HOT WEATHER

- 🐾 **NEVER** leave your pet in a closed vehicle on a hot day. Even **WITH** windows open & in the shade, interior temperatures can become dangerous in minutes!
- 🐾 Always provide plenty of fresh cool water.
- 🐾 Avoid Strenuous exercise on extremely hot days.
- 🐾 Try to avoid prolonged exposure to hot asphalt, concrete or sand, which can burn your pets paws.

DOGS & CATS CAN'T PERSPIRE AND CAN ONLY DISPEL HEAT BY PANTING AND THROUGH THE PADS OF THEIR FEET. IF YOU SUSPECT HEAT STROKE IN YOUR PET, SEEK VETERINARY ATTENTION IMMEDIATELY.

COOLING YOUR PET

- 🐾 Find some shade. Get your pet out of the heat.
- 🐾 **USE COOL WATER**, not ice water to cool your pet. (very cold water will constrict the blood vessels and impede cooling)
- 🐾 Place cool wet cloths on feet & around head.
- 🐾 Offer ice cubes for your pet to lick.
- 🐾 Contact your veterinarian.

SIGNS OF HEAT STROKE

Signs of Heat Stroke include but are not limited to:

- 🐾 Body temperatures of 104-110F degrees.

- 🐾 Dark or bright red tongue & gums.
- 🐾 Sticky or dry tongue & gums.
- 🐾 Staggering, stupor and/or seizures.
- 🐾 Bloody diarrhea and/or vomiting.
